

Meeting commenced at 1905.

#### President's Report

- Author visit March 14 - Jason Patterson
- Magician visit April 24 - David Moreland
- Our next meeting is April 16 - there will be a lot of items to vote on

#### Vice President Report

- Nothing to report

#### Treasurer's Report

- We received a donation from Yards Creek for \$3000

#### Secretary's Report

- We are accepting nominations for President and Vice President.

#### Old Business

#### Book Fair

- April 15-18

#### Gertrude Hawk

- Claire will be stepping down as chair of the committee.

#### Tricky Tray / Bingo / Raffle

- The Tricky Tray Committee was unable to solicit for or advertise prior to the renewal of our gambling license, which put the committee behind schedule. They instead suggested a few raffles to raise funds.
  - Cash Raffle - 2/26 - 3/15, 4/8 - 5/10 are suggested dates, options discussed about what to raffle and what the prizes may be. Suggestion made to not have too many small things so the community doesn't get worn out from our fundraising efforts. We discussed having a tricky tray in the fall and planning a date now. Following the meeting, the possibility of still hosting the tricky tray in May was being considered if enough volunteers decided they were able to devote time to it. At this time, it seems that one will take place this Spring.

#### Skate Night

- Next Family Skate Night at Big Wheel will be held on March 28 from 6:15-8:15 pm.

#### Bear Wear

- The company we use is offering a special t-shirt sale. Cost is normally \$24.99, but will be offered at \$15, with a \$5 donation to the PTG for every shirt sold. Stephanie will look into hosting this sale to have shirts available for field day.

#### Book Bingo

- There will be an online form and a paper registration for the event. The new location will be the BES gym, 7pm on March 15, snow date March 22.

#### Pastries with Parents

- They are still looking for a date, but hoping to schedule for a Friday in May. The date to be determined after state testing dates are chosen by the school. A budget of \$150 was voted on, as the committee typically gets all food donated and only needs funding for decor.

#### Sweet Treats

- Winter Candy Grams were a hit. All materials were donated and the kids loved giving and receiving the candy grams. The fundraiser made \$1000.

Meeting Adjourned at 2010.
